

FORM LSP

Application for Lead Service Pipe Replacement

Before any work is commenced on the service pipe, this form must be sent to:
Manx Utilities, PO Box 177, Douglas, Isle of Man, IM99 1PS

Address of property

*I/We the undersigned hereby give notice that *I/we have replaced the lead supply pipe at the above property and request the Authority to replace the existing lead communication pipe supplying the property.

*I/We understand that there is no charge for the Authority's work, but that *I/we must contact an authorised person to have my/our side of the pipe replaced.

*I/We undertake to ensure that a contractor's Certificate is sent to the Manx Utilities, Water & Sewerage Division, before any work is backfilled, in accordance with Byelaw Number 8(1) of the Water Supply byelaws 2002.

The Authority will endeavour to carry out the work within 28 days of being notified that the lead supply pipe has been replaced, although the Authority cannot guarantee that this will be the case. The position of the new boundary box must be agreed in advance with the Authority, and the Authority will not carry out work on or near the boundary of the property unless it is deemed safe to do so.

WATER SUPPLY BYELAWS 2002

7. List of persons authorised to carry out work

(1) No person shall for reward install, alter or disconnect any water fitting unless he is entered in a list kept by the Authority for the purpose of these Byelaws.
