APPLICATION FOR ADOPTION OF SEWERS UNDER S7 SEWERAGE ACT 1999

D. Checklist and declaration

Please ensure that you have included the following items with this application:

- A3 location plan highlighting only the sewers and manholes to be adopted
- As constructed drawings (as defined in MSFA) relating to Douglas 02 datum
- The parameters used in the sewer design, together with all foul and surface water calculations
- Material and workmanship specification used in construction
- CCTV survey and full decoding report
- The developer's Health and Safety file prepared in accordance with the current Construction and Design Management Regulations
- Details of any land, easement or other consent information relevant to the adoption
- Any additional supporting information

Note: Failure to submit the above information will be deemed as an incomplete submission and may result in the application being delayed, returned or refused.

I/We confirm that this application is complete and that the information supplied is in accordance with Manx Sewers for Adoption.

I/We hereby request that Manx Utilities formally adopts the (foul/surface water) sewers at the above development under Section 7 of the Sewerage Act 1999.

Print Name:.....

Applicant's signature:.....

Date:.....

Please note, that the submission of this application does not automatically grant approval or guarantee adoption under Section 7 of the Sewerage Act 1999.

How can I get further information or advice?
